Candidate Name: _____

Political Party: _____

Office Sought: _____

Candidate Signature: _____

1. I believe that smoking tobacco products: (Mark one)

- Should be strongly discouraged through legislation and taxes for the public good.
- Should be discouraged through publicly-funded education programs.
- Is a private decision and none of the government's business.

2. A small minority of non-smoking employees currently work in smoking establishments. If these employees wish to work in non-smoking establishments, they should: (Mark one)

- Be protected from tobacco smoke through the passage of an indoor smoking ban.
- Receive assistance in finding new employment by the state or a non-profit organization.
- Be responsible for finding new employment on their own.

3. I support: (Mark all that apply)

- A complete ban of smoking in public (government-owned) buildings.
- A complete ban of smoking in open-to-the-public businesses.
- A partial smoking ban in open-to-the-public businesses based on criteria (liquor, size, etc).
- Allowing business owners and/or property owners to decide their smoking policy.
- Requiring business owners to post their smoking policy on every entrance.

4. If a smoking ban, which differs from my ideal listed above, is passed by the existing Fiscal Court prior to the November regular election, upon taking office, I will: (Mark one)

- Support the vote of the previous Fiscal Court, and leave the ban in-place as passed.
- Actively work to further restrict smoking, if the regulations are too weak.
- Actively work to reduce restrictions on smoking, if the regulations are too strong.
- Work to overturn the ban completely.

5. If all three Northern Kentucky counties do not agree to a ban: (Mark one)

- I would still vote in favor of a ban in my county anyway.
- I would not vote for a ban unless all three counties pass **some form** of ban.
- I would not vote for a ban unless all three counties pass **the exact same** ban.
- I will never vote for a smoking ban, even if the other counties agree.

6. Which of these apply: (Mark one)

- I have never smoked a tobacco product.
- I have smoked a tobacco product socially in the past, but do not anymore.
- I regularly smoked tobacco products, but now I don't use them at all.
- I sometimes smoke a tobacco product, but not regularly.
- I regularly smoke tobacco products.
